

girl

game

goodbye

gate

I had a **G**, a  
bouncing letter **G**.  
It was a **g**irl who  
came to play  
with me.  
We played a  
**g**ame, said  
"**G**oodbye" at  
the **g**ate,  
and she ran on  
home before it  
got too late.
